Orchid Data Policy - SIMULATED

Fixture only. Not a real company policy.

Document: ORC-DATA-03, version 2026-09-19.

Embeddings must be computed locally.

Only authorized excerpts may reach the research model.

Backup retention is specified on page 2.

Database backups are retained for 17 days.
This is different from the 43-day research log retention.
Do not infer a GPU purchasing budget: none is specified.

Restore checks run every Tuesday at 09:20 local time.
